MEMORANDUM FOR: Deputy Chief, Finance

25X1

SUBJECT : Personal Service Contract -

1. You have requested clarification as to the amount of payment due subject for services performed by him for a period of one or two hours a day.
2. Forwarded with your request were an autostat of the subject's personal service contract, showing him to be an intermittent consultant and authorizing compensation at the rate of \$50 per day of service, together with an autostat of SF-52, Request for Personnel Action, which authorized compensation at the rate of \$50 per day, WAE. Although the Request for Personnel action taken alone would appear to require that payment be made in accordance with the number of hours worked, when related to the Personal Service Contract it is found that the contract distinguishes between \$50 per day of service and \$50 per diem, WAE (for actual hours worked).
3. It is the opinion of this Office that the subject is entitled to \$50 for each day on which he performed services regardless of the total number of hours. This is in accordance with the provisions of the Personal Service Contract. (See also, in this regard, Comptroller General Opinion, B-122986, dated 16 May 1955).
4. The attachments forwarded are returned herewith.
